ICCAT BLUEFIN TUNA CATCH DOCUMENT (BFTCD) INSTRUCTION SHEET

ICCAT BLUEFIN TUNA CATCH DOCUMENT NUMBER: This block is for the issuing Contracting Parties and Cooperating non-Contracting Parties, Entities, and Fishing Entities (CPC) to designate a CPC coded Document Number.

1. **CATCH INFORMATION:** The Master of a fishing vessel or an authorized representative (i.e. dockside observer) of the Flag CPC shall complete this section.

   A) Fill in the Vessel name, Vessel Registration Number (VRN), Licence (FIN) Number, Flag CPC and ICCAT record number (if applicable).

   B) Fill in the date of the catch, number of fish, total round weight (kg), area of the catch (Western Atlantic), gear used, and average round weight (kg) of fish.

   C) Information from Section 1A, 1B and 2 shall be validated by an authorized Flag CPC representative for all bluefin tuna (BFT) catch landed, with name, title and signature. Such validation is not required when all BFT available for sale are tagged by the CPC of the vessel (tags should contain necessary information required by the eBCD, or the identification number of each tag should be linked to the information contained in the eBCD).

2. **TAG INFORMATION AND PRODUCT DESCRIPTION:** The Master of a fishing vessel or an authorized representative of the Flag CPC shall complete this section.

   Tag numbers shall be recorded once individual tags have been affixed to a fish.

   Net wet corresponding to individual tag numbers shall only be recorded at the point of landing once the individual fish weights have been confirmed by an Observer (dockside).

3. **TRADE INFORMATION:** The exporter or an authorized representative of the CPC of export shall complete this section prior to the fish being exported.

   A) Identify the point of export/departure by city, province/state, and CPC; exporter or seller company name, address, signature, and date of export.

   B) Attach all relevant information regarding the description of transportation.

   C) Information from Section 3A and 3B shall be validated by an authorized Flag CPC representative for all BFT exported with name, title and signature. Such validation is not required when all BFT available for sale are tagged by the CPC of the vessel.

   D) Identify the point of import/destination by city, province/state, and country or fishing entity, importer or Buyer company name, address, signature, and date of arrival/import.

In situation where multiple exports result from a single landing of BFT, the original BCD may be copied prior to completing the Trade Information section.

THE EXPORTER MUST SUBMIT A COPY OF THE COMPLETED DOCUMENT TO THE FOLLOWING ADDRESS WITHIN 7 DAYS:

Fisheries and Oceans Canada
Station 13S026
200 Kent St.
Ottawa, ON,
Canada
K1A 0E6

Please keep a copy with the shipment, a copy for the harvester, and a copy for the exporter.
